

TRAINING & WELLNESS

*Culturally responsive, trauma-informed workshops and wellness experiences
designed to inspire growth, healing, and sustainable well-being.*

Client Packet

This packet provides an overview of Esencia Global's workshop offerings, wellness enhancements, and pricing structure. All experiences can be customized to meet your organization's goals, values, and workforce needs.

WORKSHOP PACKAGES

Esencia Global offers three core workshop packages. All packages are offered at the same base rate. Pricing is determined only by session length (half-day or full-day).

Package I: Rooted in Self

Self-Care & Self-Love for Sustainable Well-Being

Focuses on emotional resilience, intentional self-care, and sustainable wellness practices for personal and professional settings.

Package II: Pathways to Growth

Opportunity, Purpose & Professional Development

Supports empowerment, confidence-building, and professional growth through a strengths-based approach.

Package III: From Harm to Healing

Violence Prevention & Accountability

Provides a trauma-informed, healing-centered approach to violence prevention, accountability, and transformation.
